

Media Information

About DCL Security

At DCL Security we provide security services to businesses across the UK, 24 hours a day, 7 days a week. The main services we provide are **security guards, mobile patrols, key-holding & alarm response services, CCTV, facilities management and security training**. While we work with businesses across a wide range of sectors we have significant experience of the automotive, logistics, property management, utilities and health sector.

Established in 2007, DCL Security has an armed services background supported by a management team with significant security expertise. (Management team list & roles attached). With a staff of 109, (9 in the Management Team and 100 Security Guards) DCL Security is an ambitious, independent company with a customer focused culture.

Highlights of 2017/2018

In the past year we did the following:

- Worked with 39 companies in several sectors.
- Provided 116 security guards to protect 34 client organisations.
- On average, our security guards protected over £1billion worth of goods every day.

At DCL Security we firmly support the security sector accreditation schemes:

- We have UK wide SIA accreditation
- We are part of SIA's Approved Contractor Scheme (ACS),
- ISO 9001 2008 Quality Management
- We are a member of UK Safe Contractor
- We are affiliated to Skills for Security
- We are an approved SQA (Scottish Qualifications Authority) training provider
- We are an approved ILA Scotland Provider
- We are an approved NOCN (National Open College Network) provider
- CHAS approved member
- Skills Development Scotland
- City & Guilds

Responsible Employer

DCL Security is one of the UK's leading independent security services providers and has a loyal staff base. An internal communications programme ensures staff engagement and the popular Guard of the month award motivates and celebrates success.

DCL Security also supports a number of charities as part of our sustainable communities strategy including The Fourth Royal Tank Association UK, Erskine Hospital, GoCharitable England and Alfs Blackbelt Academy.

Topics we can comment on:

- Security service sector accreditation
- Security service case studies
- Security services in the logistics sector
- Security services & CCTV Training
- Screening & Vetting Training
- Security services consultation
- Short fixed term security contracts
- Security Industry – the way forward, including SIA Business Licensing
- Glasgow 2014 security infrastructure

DCL Security Media Spokespersons:

Des Deighan, Chair: Des set up DCL Security in 2007 after working in the Private Security Industry for over 20 years and before that 30 years military experience in UK, Germany, Uganda, Kenya, Singapore and Cyprus. Des is particularly focused on best practice within the sector and is a supporter of professionalisation and accreditation within the sector.

Clare Deighan, Managing Director: Clare joined DCL Security in 2013 and is focussed on managing the marketing and business development function. With a background in various corporate roles in the UK and overseas, Clare has significant experience of developing business strategy, identifying business growth opportunities and managing partnerships. Clare delivers contract and risk management services and works closely with every client to deliver an effective, compliant contract.

Robert Kenny, Operations Director: Robert has been with the DCL Security management team for over 10 years. Robert's role is to oversee all DCL Security operations, ensuring operational procedures are followed and standards are consistently high.

Neil Devlin, Quality Manager: Neil has worked in the Private Security Industry for over 30 years and oversees the quality management systems throughout the company. Neil ensures we continually and consistently deliver high quality service to our customers and his responsibilities include training, audits and accreditations.
